The CoC Program is an important part of HUD's mission. Projects like those of your organization, funded through the CoC program, continue to demonstrate their value by improving accountability and performance every year.

The enclosure provides details about your organization's award(s) including: the name(s) of the individual project(s); the project number(s); and the specific amount(s) of the obligation(s) for each project. HUD field office staff will notify you when they are available to process grant agreements; once all conditions are satisfied and the grant agreement is executed, your organization can expend funds.
