- Reviewed the Draft of “CoC First Time Applicant” draft document. The goal is to offer guidance into the Lake County Continuum of Care to encourage greater community participation in working on housing the homeless in Lake County. This was a rough draft and we anticipate this guide to help bring more interested parties to support ending homelessness in our county.

- Also announced that LCCoC will be applying for HHAP Round-3 for 2022 of aprx., \$670,000.
