

## Examples of Match Resources

**PLEASE NOTE:** Match must be used for eligible costs of the project, which may vary. Costs listed below could be eligible sources of match for CoC projects, but not all are eligible for ALL CoC projects.

| <u>Advocacy</u>                                                                                                                                | <u>Children</u>                                                                                                                                                                                                                                                                                                                                                                         | <u>Counseling</u>                                                                                                                                                                                                                                         | <u>Education, Employment and Training</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
