Context for the CoC Competition

The Continuum of Care (CoC) Program ([24 CFR Part 578](#)) is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, States, Indian Tribes or tribally designated housing entities, and local governments to quickly re-house homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs and programs funded with State or local resources; and to optimize self-sufficiency among homeless individuals and families.

The goal of the Youth Homelessness Demonstration Program (YHDP) is to support the development and implementation of a coordinated community approach to preventing and ending youth homelessness. The population to be served by the demonstration program is homeless youth ages 24 and younger, including unaccompanied and pregnant or parenting youth.

The U.S. Department of Housing and Urban Development (HUD) releases [a Notice of Funding Opportunity \(NOFO\)](#), signifying the beginning of a funding competition among nearly 400 CoCs, the community stakeholder groups that guide local responses to homelessness. The 2026 CoC NOFO was released on June 1, 2026, opening the competition making available **approximately \$4 billion nationally** to serve people experiencing homelessness. The information in the NOFO sets forth the competition rules, requirements, and processes for submitting applications for FY 2026 funding (including FY 2026 reallocation project applications).

The application and selection process for the FY 2026 funds awarded through this NOFO (the FY 2026 CoC Program – including projects originally awarded under the Special NOFO to Address Unsheltered and Rural Homelessness – and YHDP funds) will be substantially different than prior competitions. Through the FY 2026 NOFO, HUD has introduced new policy and funding priorities, set national floors for new Transitional Housing, Supportive Services Only, and Permanent Housing (PH) projects dedicated to serving families with children. Additionally, HUD has updated threshold, merit, and risk criteria to more competitively select projects based on outcomes, including accountability factors including reductions in overall homelessness, increasing employment income over government assistance, promoting treatment and recovery, and advancing public safety. For additional information regarding these changes, please refer to the Noteworthy Changes section ahead.

For FY 2026, the CoC Competition Consolidated Application, which each CoC submits to HUD, will consist of three parts:

- The **CoC Application**,¹ which describes the CoC planning body, governance structure, overall performance, and the strategic planning process;
- The **CoC Priority Listing**,² which ranks the project applications for HUD and identifies any rejected applications, showing the CoC's priorities for funding; and
- A number of **Project Applications**,³ each of which reflects one project seeking funding.

Before the application is submitted to HUD for FY 2026, the CoC is required to hold a local competition to determine which project applications will be included in the Consolidated Application, along with their relative priority. The results of the local competition dictate which projects the CoC will prioritize.

Project applicants must participate in the local review and rank process and have their project selected for submission with the CoC Consolidated Application in the national competition to be eligible for funding. Project applicants must follow local procedures and submit local documents as well as prepare for the HUD submission of the project application. HUD requires the use of a web-based application and grants management system called [e-snaps](#).

Summary: 2026 NOFO Competition Overview and Funding Available

On June 1, 2026, the U.S. Department of Housing and Urban Development (HUD) released [a Notice of Funding Opportunity \(NOFO\)](#) for the Fiscal Year (FY) 2026 Continuum of Care (CoC) Program competition.

This year there is funding available in four categories:

- **Annual Renewal Demand (ARD) Funding:** This amount represents what would cover the CoC's existing housing and services, HMIS, and Coordinated Entry projects. It is inclusive of renewing YHDP and DV Bonus projects, if applicable. ARD also includes expiring Special NOFO (Unsheltered and Rural Homelessness Supplemental NOFO) projects for those communities that received funding through that NOFO. See pages 22-24 of the NOFO.

¹ Includes the following: (a) CoC review, score, and ranking procedures; (b) CoC Public Notice, (c) CoC Review and Ranking Process, (d) Notification to Project Applicants, (e) Public Notification of Ranked Project Applications, (f) Projects to Serve Persons Defined as Homeless Under paragraph 3 of 24 CFR 578.3 [a child or youth, who does not qualify as "homeless" under this section, but qualifies as "homeless" under section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2)), and the parent(s) or guardian(s) of that child or youth if living with her or him], (g) the FY26 HDX Competition Report. See pages 98-99 of the NOFO.

² Includes the (a) Project Allocation form, (b) CoC and YHDP Project Listings, (c) CoC Planning and UFA Costs Project Application Listings, Form HUD-2991 Certification of Consistency with the Con Plan, (e) Tribal Resolution, if applicable. See pages 99-100 of the NOFO.

³ Project Application(s), for each project, includes: (a) charts, narrative responses, and attachments, (b) Documentation of Applicant and subrecipient Eligibility, (c) HUD required forms. See page 99 of the NOFO.

The CoC has the option to **continue to support** those programs, **or to reallocate** those resources, in whole or in part, to Permanent Supportive Housing, Rapid Rehousing, Transitional Housing, Supportive Services Only projects (including projects with the outreach service activity to individuals and families primarily residing in places not meant for human habitation), HMIS, or Supportive Services Only projects for Coordinated Entry.

- **CoC Bonus Funds:** This funding also supports Supportive Services Only, Transitional Housing, Permanent Supportive Housing, Rapid Rehousing, HMIS, or Supportive Services Only projects for Coordinated Entry. See pages 11-14 of the NOFO.
- **Domestic Violence Bonus (DV Bonus) Funds:** This funding supports Rapid Rehousing, Transitional Housing, or Supportive Services Only projects for Coordinated Entry. See pages 12-13 of the NOFO.
- **CoC Planning Funds:** This funding supports CoC planning activities, and only the CoC's named collaborative applicant may apply for it. **The planning grant will not be ranked in the competition and is not competitive with housing or service projects.** As such, this Handbook does not include information about applying for planning grants. See page 11 of the NOFO.

To know exactly how much Annual Renewal Demand Funding or CoC Bonus Funding is available in your community, see your community's application materials.

In 2026, funds are NOT available for:

- Emergency shelter
- Homelessness prevention projects
- New Joint Component Transitional Housing and Rapid Rehousing projects

Ranking and Tiers Explained

As in past years, the funding that CoCs can apply for is divided into tiers, **with projects prioritized in Tier 1 more likely to be funded than projects of lower priority that are placed in Tier 2.**

CoCs are required to either accept and rank, or reject, all projects submitted by project applicants in e-snaps, except CoC planning projects. CoCs are encouraged to consider the policy priorities established in the NOFO in conjunction with local priorities to determine the ranking of projects. All projects must pass HUD's eligibility and threshold requirements to be funded, no matter their priority.

Projects should be placed in priority order. The following project applications can be placed in Tier 1 or Tier 2 for competitive renewal:

- CoC Renewal Projects (including DV Renewal and Special NOFO Renewal projects);
- CoC New Projects (including CoC Bonus and CoC Reallocation Projects);
- DV Bonus Projects;
- DV Reallocation Projects;
- YHDP Renewal Projects; and
- YHDP Replacement Projects (including YHDP Reallocation projects).

Tier 1

In 2026, the amount of funding available for Tier 1 is equal to 60% of the combined Annual Renewal Amounts for all projects eligible for renewal. HUD will conditionally select projects from the highest scoring CoC to the lowest scoring CoC, provided the project applications pass both eligibility and threshold review. See page 90 of the NOFO.

Tier 2

In 2026, Tier 2 is the difference between Tier 1 and the sum of the CoC's ARD, CoC Bonus, and DV Bonus funds (but does not include CoC Planning projects or UFA Costs projects). Funding will be determined by the point value of each project application based on a 100-point scale. All Tier 2 projects will be funded in point order. See pages 90-91 of the NOFO.

Tier 2 points are awarded as follows:

- **CoC Score:** Up to 50 of 100 points in direct proportion to the score received on the CoC Application.
- **CoC Project Ranking:** Up to 40 of 100 points for the CoC's ranking of the project application(s). Higher ranked projects get more points.⁴
- ***NEW in 2026* Service Participation.** Up to 10 of 100 points for projects that have or will incorporate supportive service participation requirements in their program design, based on individual need and evidenced in an occupancy agreement or equivalent document.

Straddling Tiers

For any projects that straddle the two tiers, the Tier 1 portion will be conditionally funded up to the amount of funding that falls within Tier 1. Tier 2 portion will be funded in accordance with Tier 2 processes. HUD may award project funds for just the Tier 1 portion, provided the project is still feasible with the reduced funding (i.e., is able to continue serving homeless program participants effectively). See page 91 of the NOFO.

Reclassification

⁴ To consider the CoC's ranking of projects, point values will be assigned directly related to the CoC's ranking of project applications. The calculation of point values will be 40 times the quantity $(1-x)$ where x is the ratio of the cumulative funding requests for all projects or portions of projects ranked higher by the CoC in Tier 2 plus one half of the funding of the project of interest to the total amount of funding available in Tier 2. For example, if a CoC is eligible to apply for projects totaling \$500,000 in Tier 2 and applies for 5 projects ranked in Tier 2 of \$100,000 each: the highest ranked project would receive 36 points, and then the subsequently ranked projects would receive 28, 20, 12, and 4 points.

Because new project applications may be created through the reallocation or bonus processes, if HUD determines that a project applicant or a CoC incorrectly classified one or more new projects as reallocation or bonus, HUD may reclassify the project(s) as either reallocation or bonus if the CoC exceeded either its reallocation or bonus amount. See pages 13-14 of the NOFO.

CoC Planning, and UFA Costs Projects

Applications for CoC Planning and UFA Costs projects will be unranked and not included in the Tier 1 or Tier 2 calculations. It is not part of the ARD. CoCs may only submit one application for CoC planning and for UFA costs and each must be submitted by the Collaborative Applicant that is listed on the CoC Applicant Profile in e-snaps. HUD will conditionally select all CoC planning projects that pass eligibility and threshold review. Collaborative Applicants are not required to submit applications for FY 2026 CoC Planning and UFA Costs projects.

Before Applying for a CoC Grant

This Handbook gives an overview of the CoC requirements and this funding opportunity. To ensure a comprehensive understanding and compliance with all CoC requirements, all applicants should read and be familiar with:

- [FY 2026 CoC NOFO](#)
- [CoC Program Interim Rule](#)

Noteworthy Changes in the 2026 NOFO That May Impact Grant Recipients

- **Tier 1 is equal to 60%** of the CoC's Annual Renewal Demand (ARD). Tier 1 was 95% of ARD in 2022, 93% in 2023, and 90% in 2024.
- **CoC Bonus includes minimum and maximum amounts based on the type of CoC** (split, merged, new Tribal, unchanged). See pages 11-12 of the NOFO.
- **New TH and SSO project set aside** up to \$1,300,000. New Joint TH-RRH project applications will not be permitted.
- **New TH project applicants are incentivized provide at least 20 hours per week of engagement in services, activities or employment for all participants, except those over age 62 or who meet the definition of "individual with handicaps" in 24 CFR 8.3** (this definition excludes persons who have substance use disorders and/or contagious diseases or infections that inhibit one's ability to perform work). See pages 63-64 of the NOFO.
- **Dedicated PH for families with children** with a national floor of \$430,000,000.

- **PH-PSH projects must serve persons who qualify as homeless under paragraphs (1), (2), and (4) of [24 CFR 578.3](#) where the head of household also has a qualifying disability as defined in section 401(10) of the McKinney-Vento Homeless Assistance Act⁵.**
- **DV Bonus & Reallocation *and* YHDP Replacement & Reallocation projects will be selected using Tier 1 and Tier 2 selection process.**
- **YHDP projects will be competitively renewed or replaced.** YHDP projects may be reallocated by CoCs to create new YHDP grants.
- All **renewal projects** will be re-evaluated each year based on objective and merit-based criteria.
- **Threshold factors** for new and renewal projects have been revised.
- All **renewal projects** will be re-evaluated each year based on objective and merit-based criteria. See page 22 of the NOFO.
- **Renewal project threshold reviews** will include the applicant’s performance in assisting participants to achieve and maintain self-sufficiency and independent living (this does not apply to dedicated HMIS applications). See page 61 of the NOFO.
- Tier 2 project scoring replaces the 10 points previously scored for Housing First to instead award points for **supportive service participation requirements**.
- **Expiring Special NOFO** (Unsheltered and Rural Homelessness Supplemental NOFO) projects will be ranked in the CoC Renewal Projects Priority Listing.
- **Projects originally awarded under the Rural Set Aside through the Special NOFO** may submit applications that include costs otherwise ineligible.
- **Project applicants must affirmatively certify that the project will not engage in illegal racial discrimination or operate drug injection or “safe consumption” sites.** See page 60 of the NOFO.
- **Remedies for noncompliance** include the termination of awards “if an award no longer effectuates the program goals or agency priorities.” See page 110 of the NOFO.
- **Selection process includes** updated threshold, merit, and risk reviews as well considerations such as “the likelihood that the project will result in the benefits expected”, a broad range of recipients “beyond recurrent recipients”, and geographic dispersion. See pages 87-88 of the NOFO.
- **Increased discretion** to fund applications in whole or in part, impose special conditions, fund applications lower than the amount requested, not funding any applications under this NOFO, withdrawal of awards if terms and conditions are not finalized or timely, releasing another NOFO if the applications received do not merit the obligation of funds. See pages 87-88 of the NOFO.
- In the case that funding remains available after HUD follows the selection and appeals processes, HUD reserves the right to issue a supplemental NOFO.

HUD’s Homeless Policy and Program Priorities

⁵ The NOFO and CoC Interim Rule reference and old section of the [McKinney-Vento statute](#). The definition of homeless individual with a disability is now in [section 401\(10\)](#) of the updated statute.

All projects should consider HUD’s policy and program priorities, which have been updated, with a focus on improving outcomes, creating competition to improve innovation and accountability, restoring balance to the CoC, prioritizing treatment and recovery, promoting economic self-sufficiency, advancing public safety, minimizing trauma for vulnerable populations, and expanding access based on merit. CoCs and Project Applications will be evaluated based on the extent to which they further HUD’s policy priorities. The policy priorities set forth in this year’s NOFO are found in the [NOFO Summary](#) and in the NOFO.

New Project: Designing Your Project

There are two things to keep in mind when preparing your application:

1. Ensuring your application is competitive for funding in your CoC’s local competition,
2. Ensuring the project you are applying for is eligible for HUD funding and compliant with HUD requirements and the priorities and guidelines established in the FY2026 NOFO. See Eligible Applicants on page 11 of the NOFO.

Eligible New Projects Funding Options

New projects may apply for five funding streams:

- CoC Bonus funding,
- Domestic Violence (DV) Bonus funding,
- CoC Reallocation funding,
- DV Reallocation funding,
- YHDP Replacement, including YHDP Reallocation, or
- A combination of reallocation and CoC Bonus funding.

Requirements, eligibility, amounts and processes differ among the types of funding, so potential applicants should consider each carefully.

Eligible Applicants

- Non-profit organizations
- States
- Local governments
- Instrumentalities of State and local governments
- Public housing agencies
- Tribes and Tribal Entities

HUD will NOT evaluate applications from ineligible applicants (including for-profit entities and individuals).

HUD will also review each eligible applicant’s capacity to do the work (threshold, merit, and risk reviews). Applicants failing to meet the criteria established in the NOFO will be deemed ineligible for funding. See pages 59-87 of the NOFO.

In 2026, project applicants must certify affirmatively to the following:

- "The project applicant will not engage in illegal racial discrimination. This is consistent with the requirements of 2 CFR 200.300(a)."
- "The project applicant will not operate drug injection sites or 'safe consumption sites' in violation of 21 U.S.C. 856(a)(1), knowingly permit the use or distribution of illicit drugs on property under their control in violation of 21 U.S.C. 856(a)(2), or knowingly distribute drug paraphernalia in violation of 21 U.S.C. 863. This is consistent with the objectives outlined in Section III.B above and is consistent with the requirements of 2 CFR 200.300(a).

This certification is not a requirement that program participants must be sober in order to receive assistance, participate in treatment in order to receive assistance, or be evicted or exited from assistance for a first-time violation of a drug-related program policy or lease requirement."

Options for New Project Funding

Applicants may submit applications for new projects created through DV Bonus, CoC Bonus, CoC Reallocation, DV Reallocation,⁶ YHDP Replacement including YHDP Reallocation, or a combination of reallocation and CoC Bonus. Projects can also expand their projects using these sources. This NOFO prioritizes new Transitional Housing and Supportive Services Only projects.

New Projects Created by Reallocation, CoC Bonus, or a Combination

The types of projects applicants can apply for are:

1. New [Permanent Supportive Housing \(PH-PSH\) project](#) to serve homeless individuals and families where the head of household has a qualifying disability.
2. New [Rapid Re-housing \(PH-RRH\) project](#) to serve homeless individuals and families.
3. New [Transitional Housing \(TH\) project](#) to serve homeless individuals and families.
4. New [Supportive Services Only \(SSO\)](#) standalone project to serve homeless individuals and families.
5. New [Supportive Services Only \(SSO-CE\) project](#) to develop or operate a centralized or coordinated entry system.
6. New dedicated [Homeless Management Information System \(HMIS\) project](#) (can only be carried out by the HMIS lead).

New Projects Created by DV Bonus and/or Reallocation

⁶ DV Renewal projects that have a SSO-CE component cannot be reallocated. See page 13 of the NOFO.

Applicants may apply for **Domestic Violence Bonus and Domestic Violence Reallocation** funding for projects dedicated to survivors of domestic violence, dating violence, or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3,⁷ for the following project types:

1. Rapid Re-housing (PH-RRH) project.
2. Transitional Housing (TH) project.
3. Supportive Services Only Projects for Coordinated Entry (SSO-CE) to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking (e.g., to implement policies and procedures that are trauma-informed, client-centered or to better coordinate referrals between the CoC's coordinated entry and the victim service providers coordinated entry system where they are different).

For additional information on applying for and the scoring and ranking for DV Bonus and DV Reallocation Projects, please click [HERE](#).

YHDP Replacement and Reallocation

HUD will only fund new YHDP Reallocation projects, through the YHDP Replacement Process, as described below:

1. New Transitional Housing or Crisis Residential Transitional Housing, which is a form of transitional housing that is short-term, low-barrier, using a congregate living setting, and provides access to the following supportive services in particular: family engagement and unification, case management, emergency triage services, and other supportive services whose purpose is to move youth rapidly into stable housing.
2. SSO, including, but not limited to, housing search and placement services, case management, or street outreach.
3. SSO-CE.
4. SSO - Host Home and Kinship Care.⁸

⁷ Note: section 605 of VAWA 2022 amended section 103(b) of the McKinney-Vento Homeless Assistance Act to require HUD to consider as homeless: any individual or family who— (1) is experiencing trauma or a lack of safety related to, or fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation, including where the health and safety of children are jeopardized; (2) has no other safe residence; and (3) lacks the resources to obtain other safe permanent housing.

⁸ A model in which a family agrees to permit a youth to reside with them. Recognizing that the addition of another person in the home may increase costs to the family, HUD will entertain applications that propose to house youth with families and to subsidize the additional costs attributable to housing the youth. The residence is in a community-based setting. The family could be related to the youth and the length of stay may be time-limited or without time limits. YHDP funds may be used to subsidize the increased costs to the family that are attributable to

5. HMIS.
6. Permanent Housing, including PH-PSH and PH-RRH projects.⁹

housing the youth. An example of eligible costs would be additional food or transportation costs, which are eligible supportive services under 24 CFR 578.53(e)(7) or 24 CFR 578.53(e)(15). Recipients must keep records related to this determination by the recipient for HUD review upon request.

⁹ Current YHDP recipients may apply for Permanent Housing projects through the YHDP Replacement process only when the recipient is consolidating multiple (up to 10) existing YHDP Permanent Housing renewal grants. In these instances, the YHDP Replacement project must have the same recipient as the existing renewal grants being consolidated and the BLIs for the YHDP Replacement project application must match the sum of the BLIs for each of the individual projects as they appear on the grant agreement, or the grant agreement as amended.

New Projects Created by Expansion of a Renewal Project

A renewal project applicant may submit a new project application to **expand its current CoC-funded operations** by adding units, beds, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects.

For additional information on applying for an Expansion Project, please click [HERE](#).

Transitional Housing

Time limited (up to 24 months)

Project based or scattered site

Homeless Definition Category 1, 2 or 4
(and paragraph (3) if the CoC is approved to serve this population)

All eligible cost categories

Supportive Services Only

No time limits

No financial housing assistance

Homeless Definition Category 1, 2 or 4

Acquisition/rehabilitation/leasing of space to provide services, HMIS, Supportive Services, Admin

Permanent Supportive Housing

No time limits

Project based or scattered site

Homeless persons with disability

All eligible cost categories

Rapid Re-housing

Time limited (up to 24 months)

Scattered site

Homeless Definition Category 1, 2 or 4

TBRA, Supportive Services, HMIS, Indirect, Admin

Any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under (or families headed by youth aged 24 and under, including pregnant or parenting youth) who have an unsafe primary nighttime residence and no safe alternative to that residence.

Transitional Housing (Bonus, Reallocation, DV Reallocation, or DV Bonus)

- **Transitional Housing (TH) component** projects provide temporary housing with supportive services to individuals and families experiencing homelessness with the goal of interim stability and support to successfully move to and maintain permanent housing. TH projects can cover housing costs and accompanying supportive services for program participants for up to 24 months. In this NOFO, TH is an eligible activity to assist survivors of domestic violence, dating violence, sexual assault, or stalking.
- Project must select program participants consistent with the CoC's Coordinated Entry process and must serve certain populations:
 - Projects applying for Bonus or Reallocation funding must serve persons who qualify as homeless under paragraphs (1), (2), or (4) of [24 CFR 578.3](#).
 - Projects may serve persons who qualify as homeless under paragraph (3) of [24 CFR 578.3](#) if the CoC is approved to serve this population.
 - Projects applying for DV Bonus or DV Reallocation funding must serve survivors of domestic violence, dating violence, sexual assault, or stalking who are defined as homeless at [24 CFR 578.3](#).
 - Note: section 605 of VAWA 2022 amended section 103(b) of the McKinney-Vento Homeless Assistance Act to require HUD to consider as homeless: any individual or family who— (1) is experiencing trauma or a lack of safety related to, or fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation, including where the health and safety of children are jeopardized; (2) has no other safe residence; and (3) lacks the resources to obtain other safe permanent housing.
- Participants in a TH project must have a signed lease, sublease, or occupancy agreement with the following requirements:
 - An initial term of at least one month
 - Automatically renewable upon expiration, except by prior notice by either party
 - A maximum term of 24 months
- To facilitate the movement of program participants into permanent housing, transitional housing projects should provide a wide range of [supportive services](#) to participants while they reside in the program that meets the needs of their program participants. Recipients can require program participants to take part in supportive services that are not disability-related services as a condition of participation in the program. For example, if the purpose of the project is to assist participants with substance abuse issues, projects may require participants to take part in substance abuse treatment services.

- In this NOFO, applicants will be required to describe how they will assess the service needs of program participants and provide individualized services during their time in TH that will result in *at least 20 hours per week of engagement in services, activities, or employment for all program participants except those over age 62 or who meet the definition of an individual with handicap in [24 CFR 8.3](#)* (definition does not include substance use disorders and infectious diseases). See page 63 of the NOFO.
- Projects can provide services to former residents of TH projects for up to six months after exiting TH to assist in the household's transition to independent living ([24 CFR 578.75\(h\)](#)).
- While eligible costs may be impacted by your local competition rules, the NOFO allows for grant funds to be used for (see "[Eligible Costs/Activities Overview](#)"):
 - Acquisition
 - Rehabilitation
 - New Construction
 - Leasing
 - Operations
 - Rental Assistance
 - Supportive Services
 - HMIS
 - Indirect Costs
 - Administration
 - VAWA Costs Budget Line Item [as defined in section IV.B.4. of the NOFO]
 - Rural Costs Budget Line Item for projects in rural areas [as defined in section IV.B.5 of the NOFO; see also section IV.B.3. of the NOFO]
- Housing may be single site or scattered sites and can be integrated with affordable or market-rate units.
- **For more information on models of transitional housing, strong practices in transitional housing, and considerations for transitional housing projects please review this [memo](#).**
- **HUD will review all new project applications to determine if they meet [project quality threshold requirements](#)** indicating that the type of housing will meet the needs of program participants, that supportive services be offered to program participants to ensure successful retention in or help to obtain housing, that participants are assisted to obtain employment income and mainstream benefits, that supportive services are mandatory, and that the project is cost-effective.

Supportive Services Only (Bonus or Reallocation)

- [Supportive Services Only \(SSO\)](#) projects allow recipients to provide supportive services—such as conducting outreach to sheltered and unsheltered homeless persons and families and providing referrals to other housing or other necessary services to assist people in exiting homelessness.

The recipient may only assist program participants for whom the recipient or subrecipient of the funds is not providing housing or housing assistance.

- For *SSO Street Outreach*, the NOFO states that the applicant must demonstrate their history (or plan for) partnering with law enforcement and first responders and cooperate with the enforcement of laws such as public camping or public drug use and assist (or be willing to assist) first responders with their efforts to engage homeless individuals.
- Whether or not a program is functioning as an SSO project or a housing project can cause some confusion. Please see the [CoC Program SSO/Housing Component Decision Tool](#) for more information.
- An SSO project may include:
 - Acquisition, Rehabilitation, or Leasing of a space to provide services ([§ 578.37\(a\)\(3\)](#)),
 - Project Administration ([§ 578.59](#)), and
 - Supportive Services ([§ 578.53](#)). Eligible supportive services are:
 - Annual Assessment of Services ([§ 578.53\(e\)\(1\)](#))
 - Moving costs ([§ 578.53\(e\)\(2\)](#))
 - Case management ([§ 578.53\(e\)\(3\)](#))
 - Childcare ([§ 578.53\(e\)\(4\)](#))
 - Education services ([§ 578.53\(e\)\(5\)](#))
 - Employment assistance and job training ([§ 578.53\(e\)\(6\)](#))
 - Food ([§ 578.53\(e\)\(7\)](#))
 - Housing search and counseling services ([§ 578.53\(e\)\(8\)](#))
 - Legal services ([§ 578.53\(e\)\(9\)](#))
 - Life skills training ([§ 578.53\(e\)\(10\)](#))
 - Mental health services ([§ 578.53\(e\)\(11\)](#))
 - Outpatient health services ([§ 578.53\(e\)\(12\)](#))
 - Outreach services ([§ 578.53\(e\)\(13\)](#))
 - Substance abuse treatment services ([§ 578.53\(e\)\(14\)](#))
 - Transportation ([§ 578.53\(e\)\(15\)](#))
 - Utility deposits ([§ 578.53\(e\)\(16\)](#))
- **An SSO program may not have a Leasing or Rental Assistance line item to provide transitional housing or permanent housing as part of the project.**
- For more information on **partnerships** in street outreach, **strong practices** in street outreach, please review this [memo](#).
- **HUD will review all new project applications to determine if they meet [project quality threshold requirements](#).**

Permanent Supportive Housing (Bonus or Reallocation)

- **Permanent supportive housing (PSH) component** projects provide permanent housing in which supportive services are provided to assist homeless persons with a disability to live independently.
- Project must select program participants consistent with the CoC's Coordinated Entry process and must serve either:
 - Persons qualifying as homeless under paragraphs (1), (2), and (4) of [24 CFR 578.3](#) where the head of household also has a qualifying disability as defined in [section 401\(10\) of the McKinney-Vento Homeless Assistance Act](#) OR
 - For renewal projects, the same population of individuals and families indicated in the expiring grant agreement
- While eligible costs may be impacted by your local competition rules, the NOFO allows for grant funds to be used for (see "[Eligible Costs/Activities Overview](#)"):
 - Acquisition
 - Rehabilitation
 - New Construction
 - Leasing
 - Operations
 - Rental Assistance
 - Supportive Services
 - HMIS
 - Indirect Costs
 - Administration
 - VAWA Costs Budget Line Item [as defined in section IV.B.4. of the NOFO]
 - Rural Costs Budget Line Item for projects in rural areas [section IV.B.5 of the NOFO; see also section IV.B.3. of the NOFO].
- Housing may be single site or scattered sites and can be integrated with affordable or market-rate units.
- Services must be offered. Services may vary depending on residents' needs.
- Lease is required; must be renewable, for a term of at least one year, and terminable only for cause.
- **HUD will review all new project applications to determine if they meet [project quality threshold requirements](#)** indicating that the type of housing will meet the needs of program participants, that supportive services be offered to program participants to ensure successful retention in or help to obtain housing, that participants are assisted to obtain employment income and mainstream benefits, that supportive services are mandatory, and that the project is cost-effective.

Rapid Re-Housing (Bonus, Reallocation, DV Reallocation, or DV Bonus)

- **Rapid re-housing (RRH) component** projects emphasize housing search and relocation services and short- and medium-term tenant-based rental assistance to move homeless persons and families (with or without a disability) as rapidly as possible into permanent housing and achieve stability in that housing.
- Project must select program participants consistent with the CoC's Coordinated Entry process and must serve certain populations:
 - Projects applying for Bonus or Reallocation funding must serve persons who qualify as homeless under paragraphs (1), (2), or (4) of [24 CFR 578.3](#).
 - Projects applying for DV Bonus or DV Reallocation funding must serve survivors of domestic violence, dating violence, sexual assault, or stalking who are defined as homeless at [24 CFR 578.3](#).
 - Note: section 605 of VAWA 2022 amended section 103(b) of the McKinney-Vento Homeless Assistance Act to require HUD to consider as homeless: any individual or family who— (1) is experiencing trauma or a lack of safety related to, or fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation, including where the health and safety of children are jeopardized; (2) has no other safe residence; and (3) lacks the resources to obtain other safe permanent housing.
- Grant funds may be used for (see "[Eligible Costs/Activities Overview](#)"):
 - Short term (up to 3 months) and/or medium-term (3-24 months) tenant-based rental assistance
 - Supportive Services
 - HMIS
 - Indirect Costs
 - Administration
 - VAWA Costs Budget Line Item [as defined in section IV.B.4. of the NOFO].
 - Rural Costs Budget Line Item for projects in rural areas [section IV.B.5 of the NOFO; see also section IV.B.3. of the NOFO].
- Lease is required; must be renewable, for a term of at least one year (regardless of the length of assistance provided), and terminable only for cause.
- Project must:
 - Limit rental assistance to no more than 24 months per household.
 - Limit supportive services to no more than 6 months after rental assistance stops.

- Re-evaluate at least once per year whether the project participant continues to lack the resources and support networks necessary to retain housing without CoC assistance.
- Offer supportive services (may include any eligible CoC Program supportive service). Project participants should have access to a wide array of supportive services designed to help them retain stable, long-term housing.
- Require project participants to meet with a case manager at least monthly. *(Project is exempt if the Violence Against Women Act or the Family Violence Prevention and Services Act prohibit the recipient from making housing conditional on the participant's acceptance of services.)*
- Follow CoC written policies for:
 - Determining and prioritizing eligible families
 - Determining the amount or percentage of rent that each project participant must pay
- Project may (if aligned with written standards adopted by the CoC in consultation with ESG recipients in the CoC's geographic area and administered consistently across all projects):
 - Set a maximum amount or percentage of rental assistance that a project participant may receive.
 - Set a maximum number of months (up to 24 months) that a project participant may receive rental assistance.
 - Set a maximum number of times that a project participant may receive rental assistance.
 - Require project participants to share in the costs of rent.
- **HUD will review all new project applications to determine if they meet [project quality threshold requirements](#)** indicating that the type of housing will meet the needs of program participants, that supportive services be offered to program participants to ensure successful retention in or help to obtain housing, that participants are assisted to obtain employment income and mainstream benefits, that supportive services are mandatory, and that the project is cost-effective.

Dedicated Homeless Management Information System (HMIS) (Bonus or Reallocation)

- The CoC's HMIS Lead Agency is the only agency that can apply for this funding.
- [HMIS Component Project](#): HUD requires each CoC to designate an information system to comply with data collection requirements. HMIS supports CoC functioning, reporting and recordkeeping, centralized or coordinated assessment, and performance measurement.
- Grant funds may be used for (see "[Eligible Costs/Activities Overview](#)"):
 - HMIS
 - Indirect Costs

- Administration
- If the CoC has organizations within its geographic area that are victim service providers, the HMIS Lead, or subrecipient, may request HMIS funds for a comparable database. Victim service providers may also request HMIS funds in their project application budgets to enter data into a comparable database.
- **HUD will review all new project applications to determine if they meet [project quality threshold requirements](#).**

Supportive Services Only Project for Coordinated Entry (Bonus, Reallocation, DV Reallocation, OR DV Bonus)

- [Supportive Services Only- Coordinated Entry \(SSO-CE\)](#) component projects allow recipients and subrecipients to provide services to homeless individuals and families not residing in housing operated by the recipient.
- Centralized or coordinated assessment system is defined to mean a centralized or coordinated process designed to coordinate program participant intake, assessment, and provision of referrals. A centralized or coordinated assessment system covers the geographic area, is easily accessed by individuals and families seeking housing or services, is well advertised, and includes a comprehensive and standardized assessment tool.
- In addition to HUD’s definition of Centralized or Coordinated Assessment at [24 CFR 578.3](#), CPD-17-01: [Notice Establishing Additional Requirements for a Continuum of Care Centralized or Coordinated Assessment System](#), establishes the requirements related to the development and use of a centralized or coordinated entry assessment system. These systems help communities assess the needs of program participants and effectively match individuals and families experiencing homelessness with the most appropriate resources available to address their supportive service and housing needs.
- Applicants may also apply for DV Bonus or DV Reallocation funding for new Supportive Service Only-Coordinated Entry projects to implement policies, procedures, and practices that equip the CoC’s coordinated entry to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking.
- Grant funds may be used for (see “[Eligible Costs/Activities Overview](#)”):
 - Supportive services
 - Indirect Costs
 - Administration
 - VAWA Costs Budget Line Item
 - Rural Costs Budget Line Item for projects in rural areas [as defined in section 2.b.(9) of the Appendix of the NOFO]

- HUD will review all new project applications to determine if they meet [project quality threshold requirements](#).

DV Reallocation Projects

Information regarding DV Bonus and DV Reallocation projects is available [HERE](#).

- Projects previously funded using Domestic Violence Bonus funds may only be reallocated to new projects that will be 100 percent dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under paragraphs (1) or (4) of the definition of homeless at [24 CFR 578.3](#) or section [103\(b\) of the McKinney-Vento Homeless Assistance Act](#) with the following exception:
 - PH-RRH, Joint TH/PH-RRH, SSO projects may serve persons who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking who qualify as homeless under paragraph (3) of [24 CFR 578.3](#) if the CoC is approved to serve persons in paragraph (3).
 - These new projects (including new expansion projects) created with reallocation DV Renewal funding, in their entirety, must meet all the same requirements of a DV Bonus project and the sum of all DV Reallocation applications must be for the same amount of funding made available from the DV Renewal funding being reallocated.
- DV Bonus renewal projects that have an SSO-CE component cannot be reallocated.
- For information about which renewal projects were funded with DV Bonus funds, see your CoC's Grant Inventory Worksheet.
- In 2026, CoCs are required to rank all DV Bonus projects with a unique rank number, either on the New or Renewal Project Listings of the CoC Priority Listing. DV projects in Tier 1 will be selected by HUD first, if they pass eligible thresholds, as part of HUD's full review of Tier 1. All other DV Bonus projects not awarded in Tier 1 will be considered next for funding.
- Note that for FY 2026, DV Bonus projects will be selected using the Tier 1 and Tier 2 selection process. See page 90 of the NOFO.

Replacement and Renewal YHDP Projects

Information regarding YHDP projects is available [HERE](#).

In 2026, YHDP projects will be competitively renewed or replaced. YHDP projects may be reallocated by CoCs to create new YHDP grants. HUD will only fund new YHDP Reallocation projects through the YHDP Replacement process described in sections II.B.3.h.(4) and IV.B.2. of the NOFO. If significant changes to a renewing YHDP project are needed, the YHDP project may replace its current project with a new YHDP Replacement project, which may wholly or in part include otherwise ineligible activities (see NOFO Sec. IV.D.1.).

The CoC Program NOFO permits YHDP project applicants to integrate YHDP Special Activities into the project design through the selection of these activities in YHDP Renewal and YHDP Replacement project

applications. YHDP renewal applicants may continue to select previously approved Special YHDP Activities in their project application; however, YHDP Renewal applicants may also request to add new Special YHDP Activities through their renewal application [see section IV.B.2 of the NOFO]. If a recipient of YHDP funding determines that changing the project model of their grant would better serve youth experiencing homelessness in the area, the recipient must submit an application to replace the YHDP project through this competition. An example of this would be if a community decides that a TH project would better serve youth compared to an RRH project. **More details on submitting a YHDP Replacement project are in sections II.B.3.h.(4) and IV.B.2. of the NOFO.** More information on YHDP Renewals are in the renewals section of the TA Handbook below.

New Project Design Requirements

Funding Levels & Limits

Each year's Notice of Funding Opportunity (NOFO) states how the funding amount is to be calculated. This year, these rules apply:

- New project applications must request the full [Fair Market Rents \(FMR\)](#) amount per unit.
- HUD will adjust leasing, operating, and rental assistance budget line items based on changes to the FMR. HUD will also adjust amounts for the supportive services and HMIS Costs budget lines for renewing projects. All adjustments will be made prior to award announcement.
- If the recipient has a subrecipient (and is not a UFA), it is required to share at least 50 percent of project administrative funds with its subrecipient(s).

Timeliness

- After HUD makes selections, HUD may subsequently request additional project information which may include documentation to show the project is financially feasible; documentation of firm commitments for match; documentation showing site control; information necessary for HUD to perform an environmental review; a copy of the organization's Code of Conduct; and other such documentation. HUD will require the submission of additional project information no later than 30 days after the date of the letter.
- To expend funds within statutorily required deadlines, applicants funded for new sponsor-based and project-based rental assistance must execute the grant agreement and begin providing rental assistance within 2 years. However, HUD strongly encourages all rental assistance to begin within 12 months of award. Applicants unable to begin within 12 months should consult with the local HUD CPD Field Office.

Initial Funding Term

- New projects (except for projects requesting capital costs) may request funding for a 1-year grant term (but in some cases, can also apply for a 2-, 3-, 4-, 5-, or 15-year grant). However, the following exceptions apply (see page 25 of the NOFO):

- HUD will allow new projects to request 1 year of funding with a longer initial grant term not to exceed 18 months. HUD has determined that most new projects requesting 1 year of funding normally take approximately 3 to 6 months to begin fully operating the new project (e.g., hiring staff, developing partnerships with landowners if leasing or renting). Therefore, a new project requesting 1 year of funding may request a grant term of 12 months to 18 months that will allow for the additional start-up process.
- Any new project that requests tenant based rental assistance may request a 1-, 2-, 3-, 4-, or 5-year grant term.
- Any new project that requests leasing costs (either leasing only or leasing plus other costs) may request up to a 3-year grant term.
- Any new project that requests operating costs, supportive services only, HMIS, and project administrative costs may request 1-year, 2-year, 3-year, 4-year, or 5-year grant terms with funding for the same number of years.
 - Any new project that requests project-based rental assistance or sponsor-based rental assistance, or operating costs may request up to a 15-year grant term; however, the project applicant may only request up to 5 years of funds. Funding for the remainder of the term is subject to availability. Applicants must apply for additional funds through a renewal project application in the competition held in the calendar year prior to the anniversary of the first expenditure of grant funds, or if HUD has extended the grant term, the date the extension expires. HUD does not guarantee CoC Program funds past the initial 5-year grant term, if conditionally awarded.
- Any new expansion project that is submitted to expand an eligible renewal CoC Program-funded project may only request a 1-year grant term, regardless of the project type.
- New CoC Planning and UFA Costs Projects are limited to 1-year grant terms and 1-year of funding. CoC Planning and UFA Costs grants are not renewable.
 - The maximum amount of one year funding to spend on administrative costs associated with the CoC planning activities listed at [24 CFR 578.39](#) is 5 percent of Final Pro Rata Need (FPRN), up to a maximum of \$1,500,000, or \$50,000 whichever is greater.
 - The maximum amount for one year of funding to spend on administrative costs associated with UFA costs described in [42 U.S.C. 11383\(a\)\(11\)](#) is up to 3 percent of FPRN or \$1,250,000 per fiscal year; whichever is less.
- Youth Homeless Demonstration Program (YHDP) replacement projects may only request 1-year of funding.
- Any new project that is requesting consideration under the DV Bonus or DV Reallocation may only request a 1-year grant term, regardless of project type (but may request a longer initial grant term up to 18 months in alignment with page 23).

- Any new project HUD conditionally selects that requests new construction, acquisition, or rehabilitation must request a minimum of a 3-year grant term and may request up to a 5-year grant term.
 - Any new project requesting capital costs are not eligible for 1-year funding request.
 - See page 25 of the NOFO for additional guidance if your construction, acquisition, or rehabilitation application also included a request for operating, supportive services, or HMIS funds.
- A new project requesting, for example, \$300,000 would receive the full amount for a one-year grant, \$150,000 each year for a two-year grant, and \$100,000 each year for a three-year grant, and so on. If considering a longer-term grant, please review the NOFO or consult with Homebase Local Team members for grant term requirements.

Match Requirement

- CoC project recipients must match all grant funds, except for leasing funds, with no less than 25% of funds or in-kind contributions from other sources. See page 26 of the NOFO.
 - See [match requirements](#), [match ideas](#), and [model match letter](#).
- Project applicants that intend to use program income as match must provide an estimate of how much program income will be used as match.
- HUD will not require YHDP Renewal or Replacement projects to meet the 25 percent match requirement if the applicant is able to demonstrate that it has taken reasonable steps to maximize resources for homeless youth or if the recipient has already had a match exemption approved for this renewal as provided in Section I.C.1.b.4 of Appendix A of the FY 2022 Youth Homeless Demonstration Program NOFO (FR-6700-N-35).

New Project Threshold Requirements

For new projects, the review process considers applicant and subrecipient eligibility and capacity, project eligibility, and project quality as part of the threshold review. Additionally, to receive funding for a new project, except those created through reallocation, the CoC must demonstrate that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

Project Eligibility Threshold: HUD will review eligibility threshold requirements on a pass/fail standard, and if standards are not met, the project will be rejected from the competition.

Applicants and subrecipients must:

- Be [eligible](#) under the CoC Program.
- Demonstrate the financial and management capacity and experience to carry out the project and to administer Federal funds.
- Submit required certifications.
- Propose an eligible population for the project type, as designated by the CoC Program Interim Rule and the NOFO.

- Agree to participate in HMIS (except for victim service providers who must use a comparable database and planning/UFA grant recipients).
- ***New in 2026* Certify affirmatively to the following:**
 - "The project applicant will not engage in illegal racial discrimination. This is consistent with the requirements of 2 CFR 200.300(a)."
 - "The project applicant will not operate drug injection sites or 'safe consumption sites' in violation of 21 U.S.C. 856(a)(1), knowingly permit the use or distribution of illicit drugs on property under their control in violation of 21 U.S.C. 856(a)(2), or knowingly distribute drug paraphernalia in violation of 21 U.S.C. 863. This is consistent with the objectives outlined in Section III.B above and is consistent with the requirements of 2 CFR 200.300(a).
This certification is not a requirement that program participants must be sober in order to receive assistance, participate in treatment in order to receive assistance, or be evicted or exited from assistance for a first-time violation of a drug-related program policy or lease requirement."

Project Quality Threshold: HUD will review all new project applications to determine if they meet project quality threshold requirements. If awarded, a recipient is required to meet all the criteria listed for its component. The housing and services proposed must be appropriate to the needs of the program participants and the community. **For detailed threshold information by project type, please click [HERE](#) – please note that these requirements have changed significantly in 2026.**

HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

Other threshold requirements:

- Project applicants and potential subrecipients must have satisfactory capacity, drawdowns, and performance for existing grant(s), as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings, however, this does not apply to project applicants who have never received a CoC Program funded project.
- For expansion projects, project applicants must clearly articulate the part of the project that is being expanded. Additionally, the project applicants must clearly demonstrate that they are not replacing other funding sources.
- Project applicants must demonstrate they will be able to meet all timeliness standards per [24 CFR 578.85](#).
- HUD reserves the right to deny the funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, or unresolved audit/monitoring finding related to one or more existing grants; or does not

routinely draw down funds from eLOCCS at least once per quarter. Additionally, HUD reserves the right to withdraw funds if no APR is submitted on the prior grant.

- ***New in 2026*** HUD reserves the right to reject a project if the recipient is not compliant with audits for large grant recipients (over \$1,000,000) as required by [2 CFR 200.501](#). See page 62 of the NOFO.
- ***New in 2026*** For HUD to consider new projects as meeting the project quality threshold, each new project must meet all criteria in section V.4.c.(4), as applicable, if awarded prior to executing a grant agreement. See page 62 of the NOFO.
- [All projects must have a UEI number and active registration in SAM.](#)

Renewal Projects Requirements

To be eligible for renewal funding:

- The application must be approved by the CoC for submission in this NOFO. For FY 2026 Program funding renewals, the project must currently be operating and have an expiration date in CY 2027 (January 1, 2027 to December 31, 2027). See page 61 of the NOFO.
- ***New in 2026***
 - Renewals will be issued based on objective and merit-based criteria and re-evaluated each year.
 - HUD may condition renewal on compliance with audits for large grant recipients (over \$1,000,000) as required by [2 CFR 200.501](#) and other post-award requirements from prior years, as required by [2 CFR Part 200](#), [24 CFR Part 91](#), [24 CFR Part 578](#), and other applicable law [sic]. See pages 22-23 of the NOFO.
- The applicant must be the entity that signed the expiring grant agreement with HUD, or entity that became the recipient through a grant agreement transfer amendment.

Funds for acquisition, new construction, and rehabilitation are not renewable. Grants being renewed whose original expiring award included acquisition, new construction, and rehabilitation funds may only renew leasing, supportive services, rental assistance, operating, and HMIS costs and must not exceed 10 percent in administrative costs.

Other Types of Grant Options for Renewals in 2026: Transition Grants, Consolidations, Expansion Grants

In addition to renewing their current grant, renewal applicants can choose to:

- Transition the renewal project to another CoC Program component (eliminating the gap between contracts when CoCs have allowed agencies to ‘reallocate to themselves’ in past competitions),
- Consolidate several grants through the application process thereby avoiding a lengthy grant amendment process, or
- Expand the renewal grant (as described in [Applying for an Expansion Project](#)).

Transition Grants

Applicants may transition renewal projects from one CoC Program component to another (e.g., Permanent Supportive Housing to Transitional Housing) using the CoC Program Competition upon approval of the CoC. YHDP renewal projects are not eligible to use the transition grant process. See pages 21-22 of the NOFO.

Additional information regarding transition grants is [HERE](#). Special considerations regarding transitioning to Transitional Housing are [HERE](#). Special considerations regarding transitioning to Street Outreach are [HERE](#).

Consolidation Projects

Eligible renewal project applicants may consolidate two but no more than ten eligible renewal projects into one project application during the application process. To be eligible for consolidation, renewal projects *must*:

- Have a grant period that will expire in the Calendar Year (CY) 2027;
- Be consolidated under the same recipient; and
- All have the same component and project type (i.e. PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

New in 2026 Projects originally funded under the Special CoC NOFO through the Rural Set Aside cannot consolidate with any other type of project except another project originally funded through the Rural Set Aside.

If you are interested in consolidating projects, please contact Homebase to discuss the process further. Additional information on Consolidation Grants is available [HERE](#).

See pages 19-21 of the NOFO for more information.

Expansion Projects

A renewal project applicant may submit a new project application under the DV Bonus, DV Reallocation, CoC reallocation, and CoC bonus processes to expand its current operations by adding units, beds, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-Coordinated Entry projects within the CoC's geographic area. [See Applying for an Expansion Project](#). See also pages 16-18 of the NOFO.

Eligible Costs for Renewal Projects

All renewal projects must submit an application that reflects the same costs and amounts as are listed on the Grant Inventory Worksheet for that grant. [Those costs may include:](#)

1. [Acquisition](#)
2. [Rehabilitation](#)
3. [New Construction](#)
4. [Leasing](#)

5. [Rental Assistance](#)
6. [Supportive Services](#)
7. [Operating Costs](#)
8. [HMIS](#)
9. [Project Administration](#)
10. [VAWA Costs Budget Line Item](#) - May be included in new project applications, added to renewal projects through expansion, or added to eligible renewal projects by shifting up to 10% of funds from one eligible activity to the VAWA costs line item);
11. [Rural Costs Budget Line Item](#) - May be included in new project applications or added to renewal projects through expansion.

See also [Indirect Costs](#).

CoC Renewal and DV Renewal project applications may include non-significant changes including shifting up to 10 percent of funds from one approved eligible cost activity to another.

Threshold Requirements for Renewal Projects

Renewal projects will be issued based on objective and merit-based criteria and all renewals will be re-evaluated each year. Renewal projects must meet minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO. When considering renewal projects for award, HUD will review information in eLOCCS; Annual Performance Reports (APRs); and information provided from the local HUD/CPD Field Office, including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

- Whether the project applicant's performance met the plans and goals established in the initial application as amended;
- Whether the project applicant demonstrated all timeliness standards for grants being renewed, including that standards for the expenditure of grant funds have been met;
- ***New in 2026*** The project applicant's performance in assisting program participants to achieve and maintain independent living and record of success, except HMIS-dedicated projects are not required to meet this standard (see page 61 of the NOFO); and
- Evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes made without prior HUD approval, or the loss of project site control.

HUD reserves the right to reduce or reject a funding request from the project applicant for the following reasons:

- Outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon
- Audit finding(s) for which a response is overdue or unsatisfactory

- History of inadequate financial management accounting practices
- Evidence of untimely expenditures on prior award
- History of other major capacity issues that have significantly affected the operation of the project and its performance
- History of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly
- History of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutory timeframes
- ***New in 2026*** Compliance with audits for large grant recipients (over \$1,000,000) as required by [2 CFR 200.501](#). See page 62 of the NOFO
- ***New in 2026*** History of illegal discrimination, including illegal racial discrimination
- ***New in 2026*** History of subsidizing or facilitating illicit drug use or other illicit activities that conflict with the purposes of this NOFO

Funding Levels & Limits

Each year's NOFO states how the renewal amount is to be calculated. This year, these rules apply:

- Applicants requesting renewal of grants for rental assistance are permitted to request a per-unit amount less than the Fair Market Rent (FMR) if the actual rent per unit under lease is less than the FMR (but not more than). This will help reduce the number of projects receiving rental assistance that have large balances of unspent funds remaining at the end of the operating year. Renewal project applicants must ensure the amount requested will be sufficient to cover all eligible costs as HUD cannot provide funds beyond the amount awarded through this Competition. Project applications for rental assistance cannot request more than 100 percent of the published FMR.
- HUD will adjust leasing, operating, and rental assistance budget line items based on changes to the Fair Market Rents (FMR). Because the application submission deadline falls in fiscal year 2026, HUD will use FY 2026 FMRs for funding amounts.
- HUD will adjust supportive services line items with a cost of living adjustment. HUD will adjust amounts for the supportive services and HMIS Costs budget lines for renewing projects by the following factor:
 - Most recent three-year average of changes in State Quarterly Census of Employment and Wages (QCEW) for the category Social Assistance (NAICS 624). Data can be found at: <https://www.bls.gov/cew/data.htm>.
- To request increased funding to a higher level of services/housing than the previous grant, the applicant must submit a **new** application for any proposed expansion and renewal application to renew the existing project. See [New Projects: Designing Your Project](#) above.
- If the recipient has a subrecipient, it is required to share at least 50% of project administrative funds with its subrecipient(s).

Funding Term

- All CoC Program renewal, YHDP Renewal and YHDP Replacement projects are eligible to apply for one year of renewal funding.
- Any renewal PH project that receives project-based rental assistance or operating costs may request up to a 15-year grant term; however, project applicants may only request 1 year of funding. Project applicants must apply for the additional funds as a renewal project application prior to the anniversary of the first expenditure of grant funds by which date grant funds should have been expended; or, if HUD extends the date that funds must be expended, the date the extension expires. HUD does not guarantee CoC Program funds past the 1 year of renewal funding.

Match Requirement

- CoC project recipients must match all grant funds, except for leasing funds, with 25% of funds or in-kind contributions from other sources.
 - See [match requirements](#) , [match ideas](#), and [model match letter](#).
- Project applicants that intend to use program income as match must provide an estimate of how much program income will be used as match.
- HUD will not require YHDP Renewal or Replacement projects to meet the 25 percent match requirement if the applicant is able to demonstrate that it has taken reasonable steps to maximize resources for homeless youth or if the recipient has already had a match exemption approved for this renewal as provided in Section I.C.1.b.4 of Appendix A of the FY 2022 Youth Homeless Demonstration Program NOFO (FR-6700-N-35).

Renewal YHDP Projects

- ***New in 2026*** YHDP projects will be competitively renewed or replaced. YHDP projects may be reallocated by CoCs to create new YHDP grants. If significant changes to a renewing YHDP project are needed, the YHDP project may replace its current project with a new YHDP Replacement project, which may wholly or in part include otherwise ineligible activities (see NOFO Sec. IV.D.1.h).
- Projects previously funded using YHDP funds may only be reallocated to new projects that will continue to serve the same population. For information about which renewal projects were funded with YHDP funds, see the Grant Inventory Worksheet included in the local application materials.
- **Replacement.** The Consolidated Appropriations Act, 2026 permits the renewal or replacement of YHDP projects under the CoC Program; therefore, a renewing YHDP project may choose to replace its current program project with a new project which may include activities ineligible under the CoC Program, or portions of its current program design, to conduct activities that are ineligible with CoC Program funds provided the replacement project demonstrates it will directly address youth homelessness. Please see pages 15-16 of the NOFO for more details on the replacement application process, eligible replacement project types, and eligible special YHDP activities (pages. 47-51).

- **Project Quality Threshold.** YHDP renewal projects must meet the renewal project threshold requirements in section V.4.b. of this NOFO. HUD will consider YHDP Replacement project applications, including applications for new YHDP projects created through reallocation, as having met project quality requirements if the project and activities and costs are eligible under this NOFO. See page 62 of the NOFO. If a YHDP Replacement project (including YHDP Reallocation) application is not for activities and costs that are eligible under the NOFO, it will not be rejected under this project quality threshold, and HUD will work with the project applicant to correct or revise information submitted after the final FY 2026 award announcement before executing the grant agreement.
- **Match.** HUD will not require YHDP Renewal or Replacement projects to meet the 25 percent match requirement if the applicant is able to demonstrate that it has taken reasonable steps to maximize resources for homeless youth or if the recipient has already had a match exemption approved for this renewal as provided in Section I.C.1.b.4 of Appendix A of the FY 2022 Youth Homeless Demonstration Program NOFO (FR-6700-N-35).
- **Grant Term.** All YHDP renewal and YHDP replacement project applications are limited to a one-year grant term and one year of funding with one exception: any renewal permanent housing project that receives project-based rental assistance or operating costs may request up to a 15-year grant term (however, project applicants may only request one year of funding). The grant term may be extended consistent with 2 CFR 200.308 and 2 CFR 200.309. Additionally, YHDP replacement projects cannot request capital costs (i.e., new construction, acquisition, or rehabilitation).
- **Consolidation, Expansion, and Reallocation.** While YHDP projects can use the consolidation process as outlined in II.3.j.(3) of the NOFO, these projects cannot consolidate with non-YHDP projects. YHDP Renewal Projects that wish to consolidate may establish a single YHDP Replacement grant to replace multiple YHDP Renewal grants. See page 19 of the NOFO. YHDP Renewals may reallocate or expand if they remain YHDP projects. New YHDP, including expansion, projects created with Reallocated YHDP funding may be used to expand an existing YHDP Renewal Project through the YHDP Replacement process. When YHDP Replacement is used to expand a Renewal, applicants must submit a Replacement and Reallocation application separately. See pages 16-17 of the NOFO.
- **Eligible Participants.** YHDP renewal projects must serve youth, age 24 or younger, who qualify as homeless under paragraph (1), (2), and (4) of [24 CFR 578.3](#), including unaccompanied, pregnant, and parenting youth. Additionally, these projects may serve youth aged 24 and under who qualify as homeless under paragraph (3) of [24 CFR 578.3](#) if the CoC is approved to serve persons in paragraph (3).

Eligible Costs to Inform Project Design

Information about eligible costs under each line item can be found in the CoC Program Interim Rule, [24 CFR 578](#) and in the associated [HUD Resource Binder](#) and [Indirect Cost Toolkit](#).

NOTE: Projects often have additional limitations beyond those in the Interim Rule, due to their project design or the NOFO under which they were originally funded.

A few things to highlight because they have **changed in recent years** include:

- The 2023 NOFO added two new eligible costs/Budget Line Items:
 - **VAWA Costs Budget Line Item:** Section 605 of VAWA 2022 amends section 423(a) of the McKinney-Vento Homeless Assistance Act to add the following eligible Continuum of Care Program activity: “Facilitating and coordinating activities to ensure compliance with [the emergency transfer plan requirement in [34 U.S.C. 12491\(e\)](#)] and monitoring compliance with the confidentiality protections of [the confidentiality requirement in [34 U.S.C. 12491\(c\)\(4\)](#)].”
 - This new eligible activity category is not subject to the CoC program’s spending caps on administrative costs.
 - This new activity may be included in new project applications and be added to renewal projects through expansion or added to eligible renewal projects by shifting up to 10% of funds from one eligible activity to the VAWA costs line item.
 - Examples of eligible costs for emergency transfer facilitation include the costs of assessing, coordinating, approving, denying and implementing a survivor’s emergency transfer. Detailed cost examples are listed on pages 52-53 of the NOFO.
 - Examples of eligible costs for monitoring compliance with the VAWA confidentiality requirements are listed on page 53.
 - **Rural Costs Budget Line Item:** Section 5707 of the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023 amends section 423(a) of the McKinney-Vento Homeless Assistance Act to include activities that address barriers to transitioning families in rural areas to permanent housing and additional activities to increase capacity to address the unique challenges CoCs face when serving people experiencing homelessness in rural areas.
 - This line item only applies to CoCs located in rural areas, which HUD defines in section 2.b.(11) of the Appendix of the NOFO (p. 126).
 - This new activity may be included in new project applications and be added to renewal projects through expansion.
 - Allows rural CoCs to pay for the following eligible activities:
 - Payment of short-term emergency lodging, including in motels or shelters, directly or through vouchers;
 - Repairs to units in which homeless individuals and families will be housed; or are currently not fit for human habitation; and
 - Staff training, professional development, skill development, and staff retention activities.
- Program income can be used at match. Program income must always be used for eligible activities under the grant. Project applicants that intend to use program income as match must provide an estimate of how much program income will be used as match. See page 26 of the NOFO.
- Tenant-based Rental Assistance is rental assistance in which program participants choose

housing of an appropriate size in which to reside, and certain households with domestic violence experience have been able to retain the assistance outside the CoC's area. Other program participants may also choose housing outside the CoC's geographic area. If the recipient is able to meet all CoC requirements in the area where the participant chooses housing. If unable to meet the requirements, the recipient may refuse to permit the participant to retain TBRA if the participant moves outside of the geographic area.

- Indirect costs (defined [at 2 CFR 200.1](#)) are eligible under the CoC Program, and if the applicant does not have an approved federally negotiated indirect cost rate, the applicant may use a de minimis rate of 15 percent of Modified Total Direct Costs. See page 35 of the NOFO. Additional information on Indirect Costs can be found in the [HUD Indirect Costs Toolkit](#).

Also remember:

- Staff training and the costs of obtaining professional licenses or certifications needed to provide supportive services are not eligible supportive services costs. Some limited training is eligible under administrative costs.
- Operating costs do not include operating costs of emergency shelters and supportive services only facilities, maintenance and repair of housing where those costs are included in the lease (landlord responsibilities), or a structure or unit also subsidized by rental assistance funds.
- Administrative costs do not include staff and overhead costs directly related to carrying out other eligible activities (e.g., rental assistance), because those costs are eligible as part of those activities.
- Time spent preparing the annual application to HUD is **not** an eligible use of CoC project funds (it is, however, an eligible use of CoC planning grant funds).

Program Requirements

Match Requirements

- CoC project recipients must match all grant funds, except for leasing funds, with 25% of funds or in-kind contributions from other sources.
 - See [match requirements](#), [match ideas](#), and [model match letter](#).

Examples of Later Responsibilities for Recipients and Subrecipients

If your application is conditionally awarded, you will have several responsibilities. **Please be sure that you can carry all of them out before submitting your application.** The list that follows includes some of the recipient/subrecipient responsibilities. These requirements are detailed in the CoC Program NOFO at pages 107-113 and the CoC Interim Program Rule (24 CFR 578).

All Projects

- **Annual Audits:** Any recipient expending \$1,000,000 or more in a year in Federal Funds must conduct a single audit for that year.
- **Reporting:**
 - **Annual Performance Reports (APR):** Your agency will be responsible for submitting an APR for each project every year, which provides client data, service utilization information, program outcomes, and financial information. HUD may terminate the renewal of any grant and require repayment if the APR is not filed on time or if HUD deems the APR unacceptable or showing noncompliance with grant requirements
 - **Recordkeeping:** Recipients must maintain records and within the timeframe required, make any reports, including those pertaining to race, ethnicity, gender, and disability status that HUD may require. CoC applicants may report this data as part of their APR submission to HUD.
 - **Transparency Act:** Award notices may also include requirements for sub-award reporting in compliance with the requirements of the Federal Financial Assistance Accountability and Transparency Act of 2006 (Pub. L. 109-282) (Transparency Act) and Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417)
- **Impact/Success Indicators:** All projects, except for HMIS, must provide systematic indicators for evaluating the positive impact/success the project will have on clients and reducing homelessness in the community. HUD will require projects to include measures for: length of time in the project; recidivism; movement to and stability in permanent housing; connection with mainstream benefits; and job and income growth for persons who are homeless. Projects may also indicate additional measures on which the project will chart success.
- **Other Data Requests:** Your agency must provide performance and other requested data to the CoC for community-level analysis and planning.
- **Match Documentation:** Your agency must maintain documentation of any required match funding in your financial reports on a grant-specific basis.
- **HMIS Participation:** Your agency must participate in the CoC's Homeless Information Management System and enter data consistent with the applicable HMIS Data Standards.
- **Performance:** Your agency must perform the tasks outlined in your application and grant agreement, including complying with all the language in the Applicant Certifications, and following all HUD statutes and regulations applicable to the grant.
- **Documentation of Homeless Status and Disability Status:** HUD requires all recipients to document the homeless status, and in some cases the disability status, for all clients.

- **Housing-related Requirements:** HUD required recipients to ensure compliance with HQS, that housing is appropriate to the needs of the persons served, suitable dwelling size, and that housing rental amount is within HUD’s guidelines. Effective October 1, 2026, housing leased with CoC program funds or for which rental assistance payments are made with CoC program funds, must meet the applicable standards in [24 CFR 5.703](#) (National Standards for the Physical Inspection of Real Estate ([NSPIRE](#))).
- **Service-related Requirements:** All programs must provide ongoing assessment of supportive services. Transitional Housing will require individualized services for program participants that will result in at least 20 hours per week of engagement in services, activities or employment for all program participants over age 62 or who is an *individual with handicaps* as defined in [24 CFR 8.3](#) or with a *developmental disability* as defined in [24 CFR 578.3](#). See pages 63-64 of the NOFO.
- **Fair Housing:** HUD requires compliance with requirements related to Fair Housing and Equal Opportunity, Equal Access to Housing, and Resolution of Outstanding Civil Rights Matters. This includes outreach to underserved populations, including those with Limited English Proficiency.
- **Calculation of Client Rent:** HUD determines the amount of rent that can be charged to clients, and recipients must show documentation of rental calculations.
- **No program fees:** Recipients and subrecipients may not charge program fees to participants.
- **Policies:** All CoC recipients are required to institute certain policies, including participant participation, grievance procedures, due process for participant termination, staff rules, emergency safety and evacuation procedures, confidentiality restrictions, non-discrimination, free from religious influences, conflict of interest, anti-lobbying, drug-free workplace, etc.
- **State and Local Requirements:** Services provided with CoC program funds must be provided in compliance with all applicable State and local requirements, including licensing requirements.
- **Mainstream Resources:** You must coordinate and integrate your program with other mainstream health, social services and employment programs for which your clients may be eligible
- **Prevention and Discharge Planning:** Any governmental entity serving as an applicant must agree to develop and implement to the maximum extent practical and where appropriate, policies and protocols for the discharge of persons from publicly-funded institutions or systems of care (such as health care facilities, foster care other youth facilities, or corrections programs and institutions) in order to prevent such discharge from immediately resulting in such persons entering the homeless system.
- **Coordination with Educational Agencies:** Any program serving homeless families will have to certify that their programs will establish policies and practices that are consistent with, and do not restrict the exercise of rights provided by the education subtitle of the McKinney Vento Act and other laws relating to the provision of education and related services to individuals and

families experiencing homelessness. They must also designate a staff person to ensure that children are enrolled in school and connected to appropriate services within the community.

- **Ethics:** Recipients and subrecipients must not be debarred or suspended, not have delinquent federal debts, conduct business in accordance with core values and ethical standards/code of conduct.
- **Some Pre-Contract Requirements for New Projects:**
 - Proof of site control, match, environmental review, and the documentation of financial feasibility must be completed within 12 months of the announcement of the award, or 24 months in the case of funds for acquisition, rehabilitation, or new construction. The 12-month deadline may be extended by HUD for up to 12 additional months upon a showing of compelling reasons for delay due to factors beyond the control of the recipient or subrecipient.
 - **Use Covenants:** All grants of funds for acquisition, rehabilitation or new construction require recordation of a HUD-approved use and repayment covenant requiring operation of the program for 15 years.
 - **Environmental Review:** All grants for acquisition, rehabilitation, conversion, leasing, repair, disposal, demolition, or construction must demonstrate that the project site is free of hazardous materials that could affect the health and safety of the occupants.
 - **Section 3 Compliance:** Projects using housing assistance funding for housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair and replacement) or housing construction, are subject to Section 3 of the Housing and Urban Rehabilitation Act of 1968.
 - **Building Codes:** Housing and facilities constructed or rehabilitated with assistance under this part must meet State or local building codes, and in the absence of State or local building codes, the International Residential Code or International Building Code (as applicable to the type of structure) of the International Code Council.
 - **Other like requirements** (e.g., lead based paint, environmental requirements, real property acquisition and relocation, etc.).

Completing an Application in HUD's Web-Based Application System: e-snaps

HUD requires application submission through the web-based e-snaps system. The e-snaps website is <https://esnaps.hud.gov/grantium/frontOffice.jsf>.

Over 600 pages of training modules, navigational guides, and detailed instructions can be accessed on this webpage:

<https://www.hudexchange.info/programs/e-snaps/>

Some e-snaps tips:

- Your agency must have at least one person on staff who is able to access and enter data into [e-snaps](#). It is preferable to have two people on staff with access but having more than two can lead to confusion and errors.
- e-snaps is HUD's application portal – the channel by which your application(s) will be transmitted to HUD at the end of the competition. It may not be the system for the local competition.
- The e-snaps system is not always user-friendly or glitch-free. It is likely that you will encounter some problems along the way. Do not hesitate to contact your Homebase Local Team members if you have problems with e-snaps. That said, many problems can be avoided by following the instructions closely and relying upon the navigational guides and detailed instructions listed above, and by using a recommended internet browser (i.e. Google Chrome, Firefox, Safari).
- As in recent years, renewal project applicants (for grants that have renewed at least once) will see a pre-populated project application in e-snaps. Assuming no changes are planned for the project, a renewal project application can be submitted with only limited changes on a few select screens that require inputs.

Applicant Profile

Complete the Applicant Profile portion of e-snaps utilizing [this Navigational Guide](#).

Quick Applicant Profile Tips:

- Before you can access the online location where you complete the Project Application, you must complete and submit the Applicant Profile and related documents. **DO NOT ATTEMPT TO GO DIRECTLY TO YOUR PROJECT APPLICATION.** If you get there, there is likely a mistake and you will probably have to retrace your steps.
- Although you only need one Applicant Profile per agency (in almost all cases), you will need to complete a Project Application for each project.
- If you are applying for a new project and a renewal project, you will need to register for multiple funding opportunities within your Applicant Profile. If you have multiple funding opportunities, make sure to create the project application under the correct Funding Opportunity name.
- The "Complete" button on the Applicant Profile must be selected within the timeframe of the competition period. Therefore, when you log in the first time during this NOFO period, even if there is a statement "This e.Form has been marked as complete," you **MUST** put the forms in edit-mode (select the Edit button on the Submission Summary page) and then select the "Complete" button again.
- All required attachments must be uploaded before the Project Applicant will be able to access the Project Application. Please make sure all attachments are current before submitting your application.

Organization Information: SAM & UEI

You need to have a Unique Entity Identifier (UEI) number and complete or renew your registration the System for Award Management (SAM) (the successor to CCR) to enter into a grant agreement with HUD. The SAM website is www.sam.gov. Sam.gov requires several steps in its registration process due to fraud, including submission of notarized letters. If your agency needs to register, please update your SAM Registration early in the application process as it can take multiple weeks to complete the process. UEI numbers must also be registered and active on www.sam.gov.

Additional Information: Code of Conduct

Applicants are required to develop and maintain a written code of conduct. Consistent with regulations governing specific programs, your code of conduct must prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts of excessive value, or gratuities by your officers, employees, or agents for their personal benefit; and outline administrative and disciplinary actions available to remedy violations of such standards.

Simply stated, the Code of Conduct:

- Must prohibit the solicitation and acceptance of gifts or gratuities by officers, employees, and agents for their personal benefit in exceeding minimal value;
- Outline administrative and disciplinary actions available to remedy violations of such standards,
- Describe the method to be used to ensure that all officers, employees and agents of the organization are aware of the Code of Conduct, and
- Must be written on company letterhead that provides a mailing address, authorized official name, and telephone number.

All applicants for HUD funding must have a Code of Conduct on file with HUD. An applicant is prohibited from receiving an award of funds from HUD if it fails to meet this requirement for a Code of Conduct.

An applicant who previously submitted an application and included a copy of its code of conduct **will not** be required to submit another copy if

- The applicant is listed on [HUD's Web site](#), **and**
- If the information (e.g. name of organization, authorized official) has not been revised.

An applicant **must include** a copy of its code of conduct if the information listed on the above website has changed, e.g.,

- The person who submitted the previous application is no longer your authorized organization representative,
- The organization has changed its legal name or merged with another organization, or
- The address of the organization has changed.

Before entering into an agreement with HUD, an applicant awarded assistance under a HUD program NOFO will be required to submit a copy of its code of conduct and describe the methods it will use to ensure that all officers, employees, and agents of its organization are aware of its code of conduct.

HUD FORM 2880: Applicant/Recipient, Disclosure/Update Report

A Project Applicant is **required** to complete HUD form 2880 to complete the Applicant Profile. Please see the [“How to Complete the HUD Form 2880 in e-snaps”](#) form.

Non-Profit Documentation

Your agency’s records should include at least one form of documentation to verify nonprofit status. This document is required as an attachment to your e-snaps application.

- A copy of the IRS ruling providing tax-exempt status under section 501(c)(3) of the IRS Code; or
- Documentation showing that the applicant/sponsor is a certified United Way agency; or
- A certification from a licensed CPA that no part of the net earnings of the organization inures to the benefit of any member, founder, contributor, or individual; that the organization has a voluntary board; that the organization practices nondiscrimination in the provision of assistance; and that the organization has a functioning accounting system that provides for each of the following (mention each in the certification):
 - (a) Accurate, current and complete disclosure of the financial results of each federally sponsored project.
 - (b) Records that identify adequately the source and application of funds for federally sponsored activities.
 - (c) Effective control over and accountability for all funds, property and other assets.
 - (d) Comparison of outlays with budget amounts.
 - (e) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the use of the funds for program purposes.
 - (f) Written procedures for determining the reasonableness, allocability and allowability of costs.
 - (g) Accounting records, including cost accounting records, which are supported by source documentation.
- Letter from authorized state official showing applicant as organized and in good standing as a public nonprofit organization

Short List of All Attachments to e-snaps

Each applicant completes, in e-snaps, an applicant profile (the SF-424 Application for Federal Assistance) and then a project application (including various Federal forms) for each project. This list summarizes the other documents that need to be uploaded to e-snaps. The Local Competition Materials for your CoC will have additional instructions on the SF-424 Form.

Attached to Applicant Profile

- Applicant Code of Conduct (not required if listed on HUD website)
- Nonprofit Documentation of Applicant Eligibility (for non-profits only; e.g., 501(c)(3) letter)
- Survey on Equal Employment Opportunity (for non-profits; optional)
- (Only if applicant is requesting indirect costs AND has an approved federally negotiated indirect cost rate) Approved Indirect Cost Rate Proposal

If your project expends funds in the geographic area of one or more other CoCs, please talk to Homebase Local Team as an additional attachment may be required.

Attached to Project Application

- Documentation of Subrecipient Eligibility (e.g., 501(c)(3) letter)

Registering for Project Application Funding Opportunity

The final steps before you begin your Project Application are registering for the funding opportunity. Follow the instructions in the Project Application training module and/or review the “[How to Access the Project Application](#)” guide.

Executive Order 12372 and SF-424 Form

“This NOFO is not subject to Executive Order 12372. No action is needed.” See page 102 of the NOFO.
